By train coming from the airport

From the airport take the train to Amsterdam Central Station. Leaving the building through the main entrance, take tram 16, 24 or 25 leaving on your left. After 5 to 8 minutes you leave the tram at the 5th stop, the Weteringcircuit. (Leave just before the round-about.) You've just passed the Fokke Simonszstraat on your left. So, walking back you find our street to be the second to your right. We are situated in the former catholic school building half way down the street on your left no 45.

By car coming via A2 from direction Utrecht. Follow the signs Centrum and enter Amsterdam via the Utrechtsebrug. Continuing straight on, you enter the Rijnstraat, later turning into the Van Woustraat. Follow this street for about 2 km, you cross intersections with Saphatiestraat and Stadhouderskade, both with traffic lights. When passing the high buildings of The Nederlandse Bank to your right (a block with a fairly high round and a fairly high square building just after the intersection with Stadhouderskade), turn left at the next traffic light onto the Weteringschans (with tram rails in the middle). At the next intersection (traffic lights) you turn right into the Vijzelgracht. Now, the second to your right is the Fokke Simonszstraat. We are situated in the former catholic school building half way down the street on your left no 45.
